Evangelisation

Evangelii Gaudium (no. 14) describes the three settings in which the new evangelisation is to be carried out:

1. In the area of ordinary parish ministry where the faithful need to be continually re-evangelised. This would also include those we often describe as 'lapsed'
2. Those who are baptized but "whose lives do not reflect the demands of baptism, who lack a meaningful relationship with the Church"
3. Finally, *Evangelii Gaudium* reminds us that "evangelisation is first and foremost about preaching the Gospel to those who do not know Jesus Christ or who have always rejected him"

Please describe in what ways your proposed initiative will address one or more of these areas of evangelisation and who this will serve:

Thank you so much for completing Stage 1 of the Application Process. Someone will be in touch with you regarding your application, normally, within 6 weeks from submission deadline.
